CMICDESK C08-055

Desktop Retro Microphone

This plug & play retro microphone is perfect for chatting, video conferencing etc. at home or at the office. It has a stable base, flexible head adjustable to the required height and a compact design. Simply connect the 3.5 mm jack to the (pink) microphone port on your computer and use it!

Highlights

- > Compact and unique retro design
- > Good clear sound quality
- > 3.5 jack connector
- > Stable base for easy use on desk
